

The ability to read opens doors to countless possibilities.

Dear Friends and Supporters

It has been a great year. With your help we have been able to send out over 20,000 books to local schools! Those include *Money Talks*, *Credit Talks*, and *Great Women of Miami Valley*. If during this joyous season you find that you have visions of sugarplums and holiday joy dancing in your head, it is probably a remnant from your childhood and the wonderful books that were lovingly read to you. But what if those books had not been a part of your childhood? What then would have fueled the inspiration of worthy causes, noble ideas and the belief that YOU could achieve your life dreams?

*Kettering school children offer feedback about My Dream House*

It is our mission at Children's Historical Publishing to not only teach history with practical topics such as mediation through *Common Ground* and money management through *Credit Talks*, but plant seeds for dreams and educate young minds along the way. We do this through the creation and distribution of learning-activity books and accompanying Teacher Guides -- 500,000 such books to school children within Montgomery County to date! In 2015 CHPS was again honored with the prestigious Top-Rated Award by Great Nonprofits, the leading provider of user reviews about nonprofit organizations.

**CHPS can only continue to achieve its goals with the assistance of generous donations from members of our community, like you. Without your support, serving the children in our area would not be possible.**

We ask that you make a commitment to support our annual appeal by making a cash donation. This year our goal is \$10,000, and your generosity will make a difference in your community by allowing us to continue our work. Please consider making a donation to help continue our efforts: \$10, \$25, \$100, or any amount that fits your budget helps.

At Children's Historical Publishing we value the fact that a childhood filled with reading shapes an adulthood where dreams are achieved. Please join us in shaping a worthwhile and bright future for all children.

Thank you in advance for your support!

Warmly,

Executive Director
